*Call the office (423) 553-0400 to reserve any equipment you will need to ensure its availability!!  
It is expected that all equipment will be returned in the same condition as it was loaned out (all manikins will be cleaned and ready for the next rental, etc.). All rental equipment is subject to charges for any repairs necessary after it is returned to our office as a result of damages caused beyond those associated with fair wear and tear. An additional charge of \$10.00 per CPR manikin will be charged if the manikins are not clean and ready for use when returned. We reserve the right to make the decision as to condition of all equipment when returned to out office.*
